Help Restore Arab's Historic 1883 Methodist Church Cemetery!

Work has begun on a restoration project for the Historic 1883 Methodist Church Cemetery, and we need your help. The City of Arab is seeking donations for the installation of new fencing surrounding the Historic 1883 Methodist Church Cemetery located in Downtown Arab on Shoal Creek Trail NE. This cemetery was recently included in the Alabama Historic Commission's Register of Historic Cemeteries, the first in Marshall County to be so included.

It will take over five hundred feet of fencing to completely surround the cemetery, at a total cost of approximately $15,000. Employees of the City of Arab will construct the fence; however, funding is needed to purchase materials and supplies. Individuals, businesses or corporations may assist in this effort by donating $150.00 for a four (4) foot section of fence, or $300.00 for a full eight (8) foot section of fence. A 4" x 6 ½ " plaque will be provided for each four (4) foot section of fence purchased, and will be custom engraved for each donor. Three lines of engraving will be allowed for each plaque, with a maximum of thirty six (36) characters (including spaces) for each line of engraving.

Donation checks should be made payable to: **The City of Arab, Historic Cemetery Project**

Mail checks to: The City of Arab
